

# The Great LAKEWOOD PUB CRAWL MAP *version 1.3*

PUBLISHED OCTOBER 2010

Raise a glass in celebration of Lakewood's amazing selection of bars, pubs, taverns & dives!

And please, wherever you drink do so legally and responsibly, particularly in Lakewood. We live here and don't like to see anyone hurt and/or run in. So for goodness' sake if you're planning to really paint the town, at least plan a pub crawl that you can walk home from, or else bring a designated driver, or call a cab. Thank you from all of us!
